

APPENDIX VI.

Articles as per annual indent form and supplied on a fixed scale at stated periods.

Item.	Description.	Scale and remarks.
4	Blotting Paper, Ordinary	12 sheets per clerk and 12 to 24 sheets for Gazetted officers and Principal Assistants, per year.
5	Blotting Paper, Superior	.. For the High Court Judges and for Government House.
17	D. O. Letter Paper, single, 9"×7", embossed "Government of Bombay."	These are meant for D. O. and confidential correspondence and Heads of offices and a few other officers can use them for such purpose <i>vide</i> Government Resolution, General Department, No. 1185, dated 14th August 1930. The scale of Envelopes is 50 of Foolscap and 100 of Note size per annum. For details see Chapter XIII.
19	D. O. Note Paper, single, 7"×4½", embossed "Government of Bombay."	
23	D. O. Envelopes, Foolscap size, 9½"×4½" end opening.	
24	D. O. Envelopes, Note size, 4½"×3½" side opening.	
54	Paste, liquid, in 5 ozs. bottles with tops and brushes.	For use of Heads of Offices and Principal Assistants. The scale is 4 bottles per head per annum. The supply in large bottles is introduced as a measure for economy, their contents being poured in 5 oz. small bottles when available.
54A	Paste, liquid, in 16 ozs. large bottles without tops and brushes.	
54B	Paste, liquid, in 20 ozs. large bottles without tops and brushes.	
58	Ink, liquid, concentrated, blue black, superior, in 4 ozs. glass bottles, sufficient to produce 24 ozs. good ink.	For Officers' use only. The supply in small bottles saves transit and packing charges. Three bottles are sufficient for one officer every year.
59	Ink, Blue, Black, liquid, Indelible, in 25 ozs. bottles.	For writing cheques and R. T. Rs. only, <i>vide</i> Government Resolution, Finance Department, No. 1297, dated 17th July 1922.
60	Ink Powder, Blue Black, in paper packets each to produce 24 ozs. good liquid ink.	For clerical and other ordinary use. 4 packets are sufficient for a clerk per annum. Supply of powder in packets saves a lot on packing and transit charges.
61	Ink, Red, in crystals (Fuchsine), in tins of ½, 1 and 1 oz. each.	For clerical use. One tin of ½ oz. produces 24 ozs. good liquid ink.
62	Ink, Superior, Blue Black, liquid, in 28 ozs. bottles.	This is a substitute for Stephen's foreign ink and is used by the Judicial Department for writing judgments, and for writing registers of the Registration Department (Government Memorandum, Revenue Department, No. 3508/33/2236-F, dated 4th April 1939). 3 bottles are sufficient for an office per year.
63	Ink, Blue Black, liquid, for use with fountain pens, in 4 ozs. bottles.	For use of officers who use their private pens. Four bottles per year are sufficient for an officer.
66	Needles, small, 2½" long.	} For stitching papers, etc., and for sewing small parcels respectively, and are supplied to the extent of the average consumption.
67	Needles, large, 3½" long (Dabhans).	

Item.	Description.	Scale and remarks.
68	Nibs, Steel, Fireman.	<p>The scale laid down is 50 Nibs of either kind per annum for each clerk and officer. The Revenue offices in the District of Kolaba are supplied from 50 to 72 nibs per head <i>vide</i> Government Resolution, General Department, No. 3759/28, dated 29th November 1929.</p> <p>Since Heads of offices and Principal Assistants are using fountain pens, no demand should be made in the indent on their account, as far as possible.</p>
69	Nibs, Steel, Latem.	
70	Nibs, Steel, Haldankar's (Maharashtra) similar to Relief.	
71	Nibs, Steel, Hindu (Nawab) for vernacular writing.	
73	Nibs, Steel, J. Gilt.
